

Short Bio: Shiela Pialago

Shiela Pialago is a Digital Marketing VA from the Philippines mostly serving in the healthcare and tech industries for about 10 years. Graduated with great distinction in Linguistics and Literature from the University of San Carlos in the Philippines, Shiela continues to provide digital marketing services to businesses and organizations in the US, UK, and Australia that also "pay kindness forward" to the community.

Shiela is also the host of the self-made virtual career-focused show, The Rockstar VA Podcast, that aims to help both Virtual Assistants, Freelancers, and business owners by addressing prevalent concerns between professional rapport, providing real-time, real-life insights about the ever-changing dynamics of online communications and sharing tips that help Internet-based connections achieve longevity and stability.
